GABRIEL W. GORENSTEIN, UNITED STATES MAGISTRATE JUDGE

Before the Court are the parties' letters related to plaintiff's application for sanctions on account of defendant's purported failure to comply with his discovery obligations. See Letter, filed July 17, 2024 (Docket # 269); Letter, filed July 31, 2024 (Docket # 277). On reflection, the Court believes that the progress of this case will be greatly enhanced by focusing at this time exclusively on the completion of discovery. Once discovery is completed, plaintiff may request permission to file a motion for sanctions. Plaintiff will be free to raise all past conduct at that time.

Accordingly, the application for sanctions is denied without prejudice to an application made following the close of discovery.

SO ORDERED.
